MH Samorita Hospital

Presented a case on treatment plan for Cesarean Section. Link can be found here: <https://shorturl.at/jptPX>

Skills

Good in Communication

While working as intern doctor, I worked closely with patients and most of the followed up their conditions. During that time, I faced several extreme situations where I had to take steps to handle patient parties and communicate with them. So I am confident on communicating with any kind patients and their kin's.

Experience in working with renowned doctors to handle complex cases

I have worked with renowned doctors namely Prof. Dr Sazzad Hossain sir, Prof. Dr Sohel Iqbal sir, Prof. Dr. Brig Gen Hasina Sultana madam, Prof. Sayeda Afroza madam.

Quick Learning Capability

Quick learning all the fundamental of different treatments.

Good with Children

I have interest in pediatrics. Also being a mother, I am good with children.

Hard Working

I am hard working and I can work in any condition.
